

# PREMIERPLUS

## Rewarding Challenging Teaching

Want to find out why now is the perfect time train to teach a secondary shortage subject?

Then come along to our free Premier Plus seminar at The Science Learning Centre North East in Durham on **Thursday 23 February 2012 at 5pm.**

Find out about the enhanced service providing exclusive support and benefits to those interested in teaching secondary maths, physics, chemistry or modern foreign languages.

**More information and to register visit [tda.gov.uk/events](http://tda.gov.uk/events)**
