Number on roll – 1150

The Governors of this highly successful Catholic College wish to appoint the following staff, to join this outstanding 11-18 Specialist College with the following results in 2009:
GCSE A* - C 94%, 80% with English & Maths and 'A' Level 99.7% pass rate.

TEACHERS OF SCIENCE (2)

Physics

September 2010

Governors are seeking to appoint a dynamic and innovative teacher who has the ability to inspire our students. The successful candidate will join a team of 10 scientists in addition to two technicians and support staff in the recently completed Isaac Newton Science Building. The ability to teach across all science subjects at KS3 together with Physics at KS4 and 5 would be an advantage.

The College offers state of the art learning facilities following completion of a £10M building project in 2008. The College has been awarded 'High Performing Specialist School' Status and as such holds specialisms in Technology and Applied Learning together with being a Training School from 2008. In 2009 we received an Outstanding Ofsted inspection and hold a number of nationally recognised awards including: SSAT Inclusive School Award, Investor in People, Chartermark, Arts Mark and International School Award. We would hope that the successful candidate would have the ability to take an active part in the life of the College using their talents to contributing to whole College projects. The person appointed will be required to support the Christian Ethos of the College

Carmel RC College is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment. This post is subject to an Enhanced Criminal Records Bureau check.
